Subject: DISH Network Announces Withdrawal of Clearwire Tender Offer

DISH networks today announced its withdrawal of its tender offer for all of Clearwire's outstanding shares citing Clearwire's board of directors recommendation of the Sprint transaction last week. A link to the DISH press release is below. As the parties have previously told the Commission, Clearwire's shareholder vote is scheduled for July 8. Assuming shareholder and FCC approval, the parties hope to close the Softbank-Sprint-Clearwire transactions on that day or on July 9<sup>th</sup>.
